

79<sup>th</sup> Provincial Winter Fair

**FIRE SAFETY PLAN**  
**\*\*Return with Club Entries\*\***

CLUB NAME: \_\_\_\_\_

DATE: \_\_\_\_\_

**Each club should be familiar with this plan and make sure that all members of their club know what to do in case of a fire at the barns.**

- A Fire Plan Coordinator shall be named and deemed to be in charge at the site of the fire.  
Fire Plan Coordinator \_\_\_\_\_
- Any person reporting a fire to 911 should be sure to tell the dispatcher to have the fire trucks enter the grounds with **NO SIREN** and **NO FLASHING LIGHTS**.
- The person reporting the fire shall stay at the main gates of the Circle Creek Ranch or the Camping Area depending on where the fire is to guide the fire trucks in to the source of the fire.
- Each club must have an adult from their club who is designated as a Fire Plan Leader and who will be on the grounds. If they are away from the grounds a second person must be designated.

Designated Fire Plan Leader \_\_\_\_\_

Alternate Fire Plan Leader \_\_\_\_\_

*Draft Plan Rules*

- **No 4-H member, youth open, junior, intermediate or senior shall go to the barns/tents if a fire is reported.** A designated adult member of the club shall stay with the members to ensure this.

Designated adult \_\_\_\_\_

- Only parents, other adults and leaders are to go to the barn/tent area. They shall assess the fire situation (**under the direction of the Fire Plan coordinator**) and decide on an animal and or an equipment evacuation plan.

A: halter animals and lead to designated area

B: open stall doors

C: other

- There shall be a designated area to take animals to that is far away enough from the barn area to be deemed safe

Designated area----**the Horse Arenas**

- **All adults on the fire site shall be under the direction of the Fire Plan Coordinator whose authority shall be final and absolute until the arrival of the first Fire Truck where the authority shall shift to the Fire Department.**
